

Le Verger's Spring Communication

Report from the Deputy Director of Christian Science Nursing : Grey Enderlin

'Ho, everyone that thirsteth, come ye to the waters, and he that hath no money; come ye, buy, and eat.'

Isaiah 55: 1

It is with great joy that we thank everyone for the support you bring to Le Verger, both financial and spiritual.

Within the last year, we have welcomed patients from France, Germany, Great Britain, and Switzerland. Most of them had short stays, but some stayed a little longer. Each case is different of course, but the truth about man remains the same.

Mrs. Eddy writes: *'Whatever promotes statuesque being, health, and holiness does not degrade man's personality. Sin, sickness, appetites, and passions, constitute no part of man, but obscure man.'*

Pan 10:27-30.

This helps us to see beyond the mortal sense picture to the more spiritual, perfect view of man.

We are so grateful to see transformation taking place with patients and Christian Science nurses, and we are very grateful for the ongoing metaphysical work provided by the board members on a monthly rotation. We thank you with infinite gratitude.

Le Verger is a haven of peace, where people come to be surrounded by the atmosphere of Truth and Love. Some of our patients have let us know that they feel safe at Le Verger, they feel the love that the team expresses, and it reassures and comforts them.

We also provide home visits, both paid and complementary. Our goal is to express Love and bring joy, while being a witness to healing.

'Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give.'

Matt 10: 8,

'And he said unto them, Go ye into all the world, and preach the gospel to every creature.'

Mark 16.15.

Our team of Christian Science Nurses has increased in the last year, and we frequently receive offers from private duty Christian Science nurses from all around Europe who let us know their availability in case of need. We are very flexible with our schedules and can adapt easily to all situations practical and professional. Working in harmony and trusting one another, we make a good team in finding solutions together and working through challenges in a mutually supportive way.

Grey Enderlin.

Monthly Hymn Sing

Please join us once a month to get together to sing hymns and have a chat over tea and cakes.

This is an opportunity to sing through familiar hymns in a spirit of love and joy.

Bring your voices, willing hearts, families and any portable instruments gathering dust around the home!

After tea and cakes, there will also be an opportunity for general music making. **Please let us know if you would be interested in playing the piano for these sessions, or if you would like to lead a session yourself!**

Hymn sings will take place at Le Verger on the following Sundays at 14.30 :

22.04.18, 20.05.18, 10.06.18,

22.07.18, 19.08.18, 16.09.18,

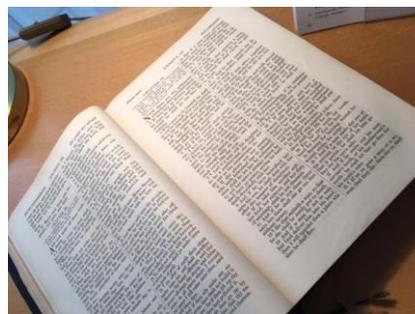

14.10.18, 11.11.18, 16.12.18.

Reading Club - Bible

Our next Bible Reading Club will take place on Saturday 5th May from 15h - 16h.

We will be looking at *The 10 Commandments*, taking one each month, starting with the 1st Commandment in May.

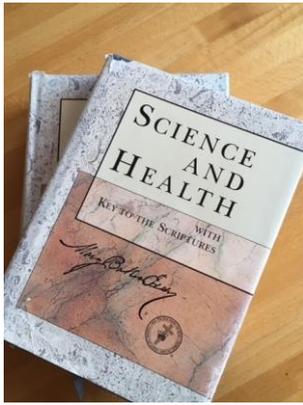

There is no obligation to have read through the text in advance in order to participate, but any insights and impressions you share will serve to enhance the discussion. A short presentation will be given at the beginning of the meeting.

The meeting will primarily be held in French but discussion can be shared in French, English and German.

This will be an opportunity to meet as a family for an exchange of ideas in a spiritual atmosphere. It is in this spirit that Le Verger works, as a family whose members support one another. There is nothing more satisfying than to realize that we are members of one universal family. We all have the privilege of demonstrating the meaning of family, where God's ideas are maintained in a harmonious fraternity and where one feels the spirit of warmth and affection. Le Verger invites you to share this moment of inspiration with your family.

Tea and cake will be provided afterwards.

Reading Club – Science and Health

We are reading through *Science and Health, with Key to the Scriptures* by Mary Baker Eddy each Tuesday morning from 10.30 - 11.15. Coffee and biscuits will be provided.

We will take a paragraph each and read aloud in turn. You may read in whichever language is easiest for you and everyone will follow in their own language. The idea is to read through the whole book together. You will be welcome to make comments or seek clarification from the group, but the main purpose is to read rather than discuss.

The first session will be on Tuesday 3rd April at 10.30am

Afterwards, you are also welcome to join the group Bible Lesson reading in the lounge at 11.30, followed by a short hymn sing if you wish.

If you would like to stay for lunch, please contact the secretary at least 24 hours in advance on 021 822 0126 to book.

Annual Meeting 2018

Members, please mark your diaries! Our Annual Meeting is taking place on Saturday 21st April at 14.00 at Le Verger.

If you are intending to come, please ensure your dues are paid so that your vote counts!

Supporting Le Verger

We are very grateful for all who donate to and support Le Verger's work and the healing work of Christian Science Nursing. Your contributions help patients, residents and guests to access the resources and care they need while working towards quick and whole healing!

If you are interested in supporting this vital work, please go onto our [website](#) where you can make donations via PayPal, or contact our office. (Please note, we cannot accept checks)
